2. The factory produces 1,300 kilograms of thread daily and unknown quantities of unbleached muslin and cotton flannel.
3. The factory has four brick warehouses. Two of these, both full, are located in the Akatsiyite Quarter of the city; one is 40 by 40 meters, and the other is 50 by 20 meters in size. The third warehouse, shown as No. 7 on Appendix B, pages 5, 6, and 7, 100 by 10 meters in size, is full of woven material. The fourth warehouse, shown as No. 53, is presently being used as a training school for new workers.

Equipment (see Appendix B)

4. There are 240 looms in the textile section, shown as No. 31 on the sketch.
5. In the shop shown as No. 32, there is a "Kadir" machine used to weave cotton flannel.
6. In the room shown as No. 33, there is a "Skromna" machine for "strengthening threads."
7. In the shop shown as No. 48, there are 12 "Ring" spinning machines (No. 49) and 10 "Fader" roving machines (No. 50).
8. In the shop shown as No. 47, there are 18 combing machines and four "Shtrek" machines for drawing the thread.
9. In the shop shown as No. 46, there is one "Shlock" carder (No. 51).
10. In the repair shop shown as No. 17, there are two drills and three lathes.
11. In the carpentry shop shown as No. 24, there is one long plane and one saw.
12. The factory has one truck and two horse-drawn carts.

Personnel

13. The personnel of the factory is entirely Bulgarian.
14. Administrative personnel include the following:
  - a. Stanyu Luskonov, director of the factory; until October 1951, [redacted]
  - b. Ivan Slavov, accountant of the factory; [redacted]
  - c. Dimitur Ivanov, secretary of the Communist Party at the factory; employed at the factory since March 1952;
  - d. Zlatka Kirilova, a woman, head of the ORPS (Obsht Rabotnichesko Profesionalen Soyuz; General Workers' Professional Union) organization in the factory; and
  - e. Mara Muradyan, a woman, secretary of the DSNM (Dimitrovski Soyuz na Narodnata Mladezh; Dimitrov Union of the People's Youth) organization in the factory.
15. The technical staff consists of 12 persons, as follows:
  - a. (nu), chief technician, appointed in June 1952;
  - b. Marko Atanasov, chief foreman of the spinning mill; graduate of the Sliven Textile School, [redacted]

25X1

- c. Milko Ivanov, chief foreman of the weaving shop; [redacted] 25X1
- d. Aleksandur Stefanov, foreman in the spinning mill; [redacted]
- e. Yordan Tasev, foreman in the spinning mill; [redacted]
- f. Stoyan Karpuzov, foreman in the spinning mill; [redacted]
- g. Khrant Aleksandur Kizarvan, foreman in the spinning mill; [redacted]
- h. Vasil Marinov Vasilev, foreman in the weaving section; [redacted]
- i. Vasil Tomov, foreman in the weaving section; [redacted]
- j. Kosta Bonchev, foreman in the repair shop; [redacted]
- k. Stefan Gandeve, administrator of the technical department; and
- l. Kosta Ivanov, adjuster in the spinning mill.
16. There are 500 female workers employed in three 8-hour shifts.
17. Membership in the Communist Party is not requisite for employment at the factory. All members of the administrative staff, however, are Party members.

Security

18. The factory has six watchmen.
19. Workers have entrance permits. Visitors are allowed to enter the factory after showing their identification cards and telling the guard whom they wish to see.

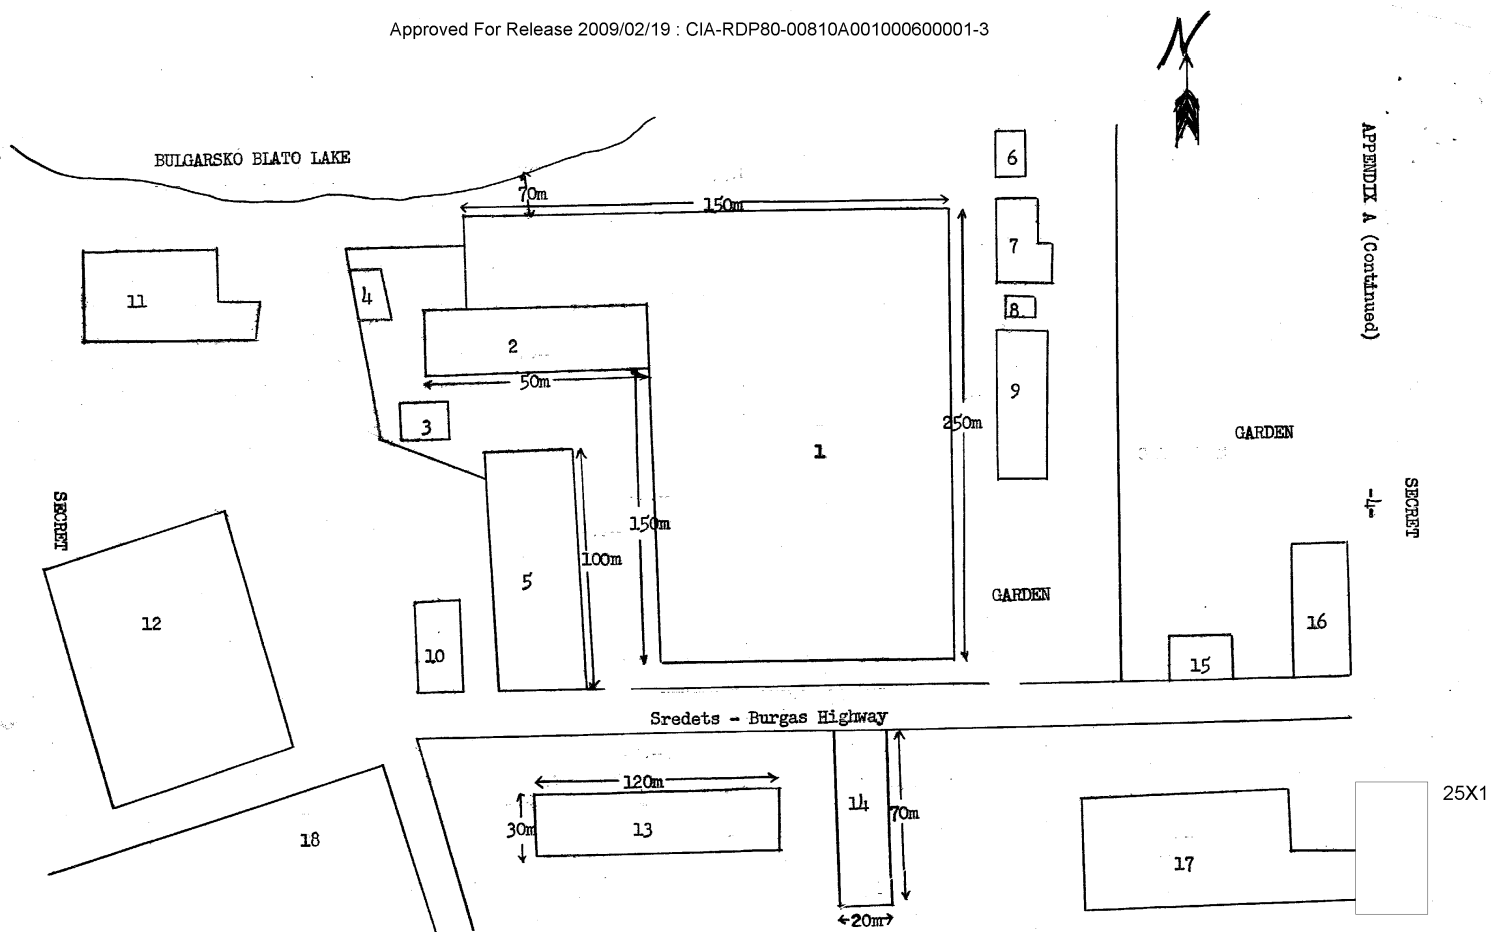

[redacted] Comment: The sketch enclosed herewith as Appendix B, pages 5,6, and 7, 25X1 was previously disseminated [redacted] but is redistributed at this time because of a clearer identification of installations in the legend and to illustrate the text of this report. 25X1
